

Commutative Property

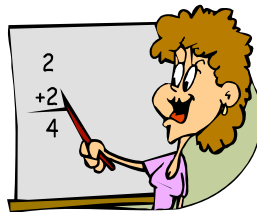

When multiplying or adding two numbers, the numbers can be reversed without changing the answer!

$$4 + 5 = 9$$

$$7 \times 3 = 21$$

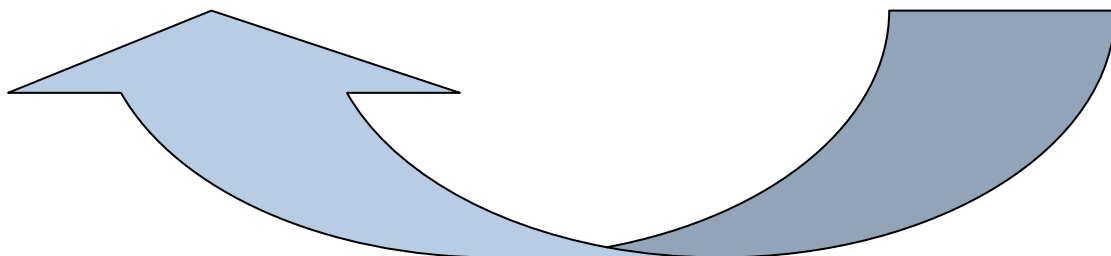

$$10 + 6 = 16$$

$$5 + 4 = 9$$

$$3 \times 7 = 21$$

$$6 + 10 = 16$$

Turn it around and Write it down.
