Magnificent Magazines

Jonah's class was selling magazines for a class fund raiser.
Complete the chart at the bottom of the page to determine
mean, median, mode, and range of the magazine sales over four
weeks. Use the information to answer the questions below.

1. Which person had the highest sales
average?_____

2. Which week had the least sales?_____

3. Who had the lowest mode?_____

4. What was the most common mode?_____

5. Who had the lowest median?_____

6. Which person sold the fewest magazines?_____

Dollar Amounts Sold Per Student

Item	Week 1	Week 2	Week 3	Week 4	Mean	Median	Mode	Range
Jonah	35	16	22	35				
Helen	25	34	25	44				
Marcus	25	46	87	46				
Tyler	26	34	26	47				
Brenden	35	80	35	47				
Shelly	37	68	45	75				
Cody	44	38	44	92
