Date _____

Tens and Ones Guided Lesson

1. Write the numbers that match the model below.

--	--	--	--	--	--	--	--	--	--

 +

--	--	--	--	--

 = _____

_____ tens + _____ ones = _____

2. Complete the chart below.

	Tens	Ones
16		
9		
11		
4		
17		

3. Break apart the numbers below into 10s and 1s. The first problem is done for you.

a) $14 = 10 + 4$

b) $17 = \underline{\quad} + \underline{\quad}$

c) $12 = \underline{\quad} + \underline{\quad}$
