

## Explaining What Position Means Worksheet

Write the answer about the relative position of the other object.

What is on top of the house?

Chimney

### Practice Problems

1	A magnifying glass with a green handle and a wooden frame is positioned over a pencil. A speech bubble labeled 'Magnifying glass' points to the lens, and another labeled 'Pencil' points to the pencil. The background is light blue with radiating lines. <p>What is under the magnifying glass?</p>
2	A grey rod is shown with a pink towel hanging from it. A speech bubble labeled 'Rod' points to the rod, and another labeled 'Towel' points to the towel. <p>What is on the rod?</p>

## Answers

1 a pencil 2 a towel
