Days of the Week - Guided Lesson Explanation

Remember that, in order, the days of the week are:

Sunday, Monday, Tuesday, Wednesday, Thursday, Friday, Saturday

They repeat in this pattern.

Explanation#1

Saturday is the missing day.

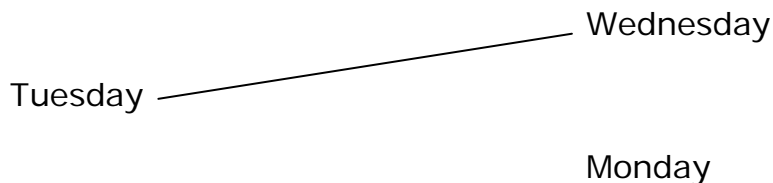

Friday

Saturday

Sunday

Explanation#2

Wednesday comes after Tuesday. Draw a line between Tuesday and Wednesday.

Explanation#3

After Friday comes Saturday. Sunday is wrong. First, write the days in their correct order. Then, underline Saturday to show the correction.
