Sorting Shapes - Guided Lesson Explanation

Explanation#1

Look at the shape on the left. Find an object on the right that has the same shape. Here, the shape on left is a 'BALL.' Out of the objects on the right, the 'FOOTBALL' has the same shape.

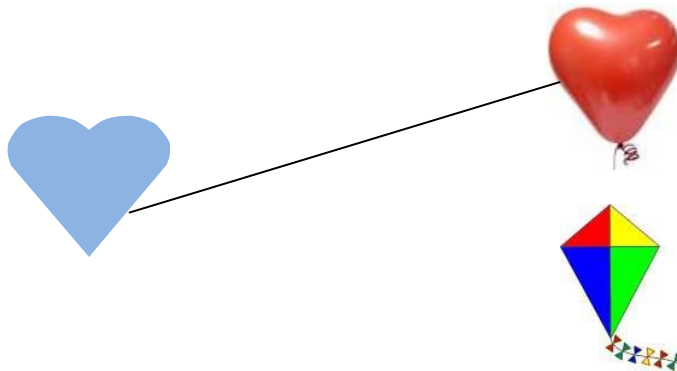

Draw a LINE from the 'BALL' to the 'FOOTBALL'.

Explanation#2

Look at the shape on the left. Find an object on the right that has the same shape. Here, the shape on left is a 'HEART.' Out of the objects on the right, the 'BALLOON' has the same shape.

Draw a LINE from the 'HEART' to the 'BALLOON'.

Explanation#3

The hamburger has a slight oval shape. Underline the oval.
