

Name _____

Date _____

Single Into Double Digit Division - Step-by-Step Lesson

$$4 \overline{)32}$$

Explanation:

Step 1) First we have to see what is being asked.

Step 2) We can see that we have to divide 32 by 4.

Step 3)

$$\begin{array}{r} 8 \\ 4 \overline{)32} \\ -32 \\ \hline 0 \end{array}$$

Step 4) The answer is 8.
