## Big and Small- Guided Lesson Explanation

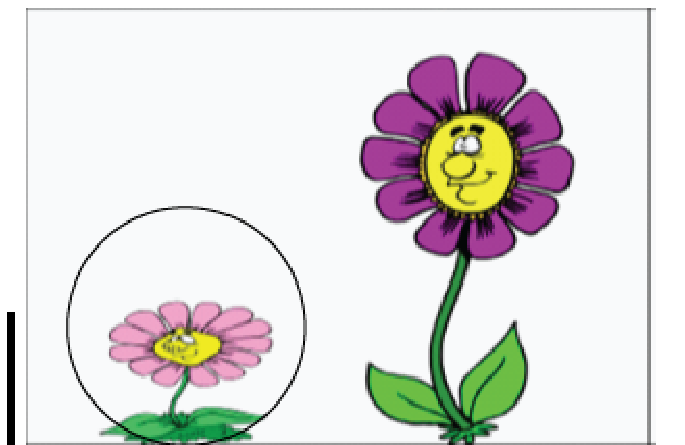

### Explanation#1

The word BIGGER says that we are looking for something that takes up more space on the paper. We can clearly see that the first cup takes up a lot more space.

### Explanation#2

We need to compare the height (longest side) of the two plants. I like to draw straight lines. The shorter line is of the shorter object.

### Explanation#3

The BIGGER picture takes up more of the paper. We can clearly see that the top image takes up much more room on the paper.
