

Tallies and Frequencies Worksheet 2

NAME: _____

SCORE: _____

1. John counted the number of chocolate chips in each cookie and these were the results:

100, 95, 100, 96, 97, 96, 100, 101, 102, 101, 95, 96, 97, 94, 101, 102, 95, 94, 95, 100

Help John by completing the frequency table.

Chips	94	95	96	97	98	99	100	101	102
Frequency	2								

2. Suzy has taken inventory of all the pies at the bakery. Convert the tally sheet into a frequency table.

Item	Tally
