## Dollars and Cents Word Problems - Guided Lesson

Solve the following problems. Use the pictures to help you.

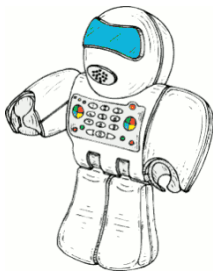

1) Jordan had 10¢ until he spent 1 nickel. How much money does Jordan have now?

2) Missy spends 4 pennies on a milk bottle. Todd spends 3 nickels on a starfish keychain. How much money do they spend together?

3) Peter spends 1 dollar bill on a robot toy. Chris buys a book for 4 dimes. How much money do they spend together?

Robot Toy = 1 dollar bill

Book = 4 dimes
