

Name _____

Date _____

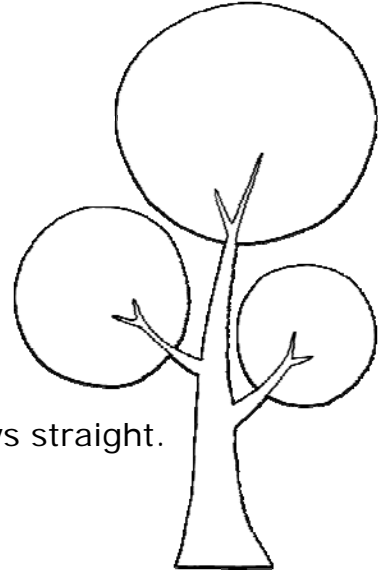

Generate Measurement Data Word Problems - Guided Lesson

Complete the following problems:

1) In the garden, we planted some trees during rainy season. We kept track of how many plants we planted each day.

Make a line plot based on the data chart below.

Days	Trees
1	2
2	5
3	6
4	3
5	4

2) In the flower shop, we prepared some bouquets for 5 days straight.

Make a line plot based on the data chart below.

Days	Bouquets
1	4
2	7
3	5
4	2
5	1

3. In the office, we hired new employees throughout the week.

Make a line plot based on the data chart below.

Days	Employees
1	6
2	7
3	9
4	2
5	4
