Adding Objects In Rectangular Arrays -Step-by-Step Lesson
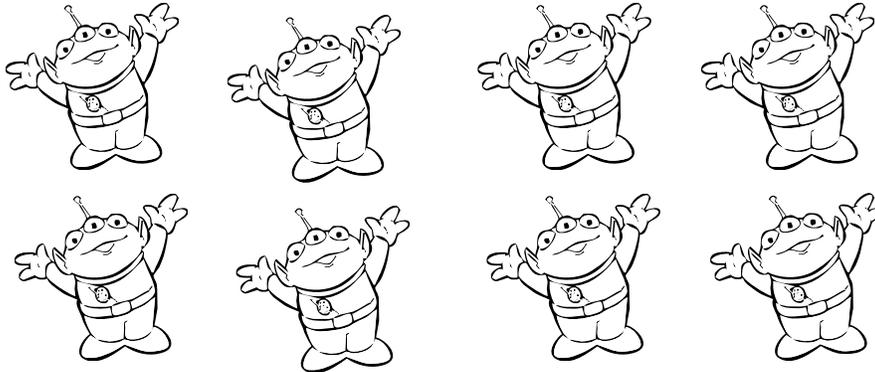

Lesson 1 Addition of objects:

Write the addition sentence that is shown below:

_____ + _____ = _____

Explanation:

Step 1) First we have to look out what is being asked of us.

We have to write an addition sentence.

Step 2) In first and second row there are 4 objects.

Now we have to add the both the rows.

Step 3) So, the addition sentence should be –

4 + 4 = 8
