

SKIP COUNTING BY 5s

Learning to count by 5s helps you quickly find the total.

EXAMPLE:

Find the total number of large clubs ♣ by counting by 5s:

				= <u> </u>
5	+5 = 10	+5 = 15	+5 = 20	= <u>20</u>

EXAMPLE:

Zoey bought 25 balloons for her birthday party.

				
5	10	15	20	25
