

Name: _____

Date _____

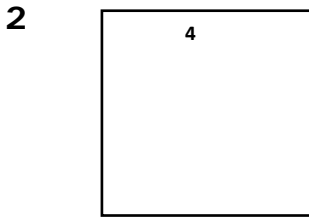

Topic : Area of Polygons and Circles- Worksheet 1 (Assume Congruency)

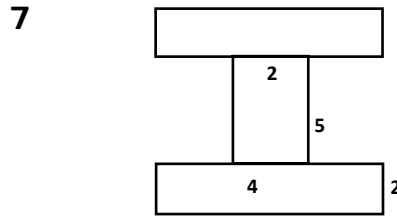

Find the area of the given figure.

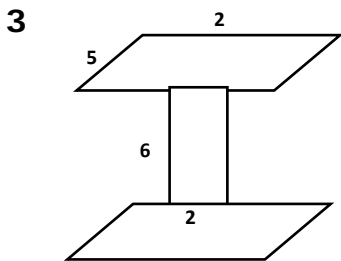

Find the area of the given figure.

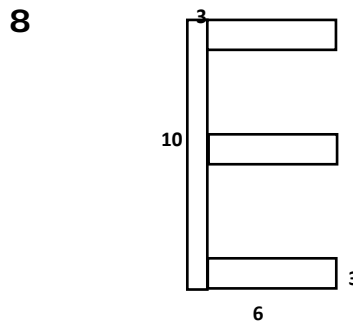

Find the area of the given square.

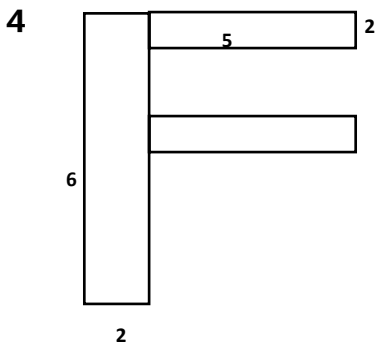

Find the area of the given figure.

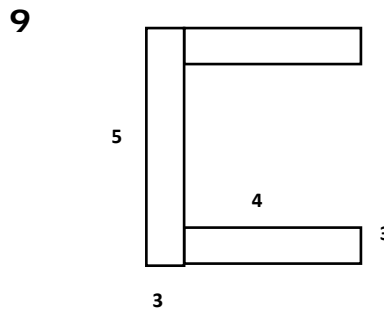

Find the area of the given figure.

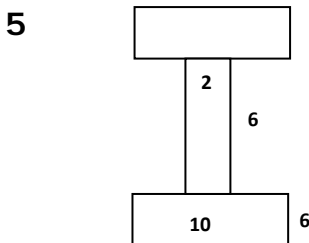

Find the area of the given figure.

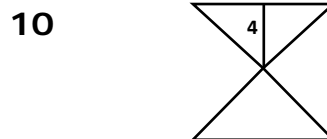

Find the area of the given figure.

Find the area of the given figure.

Find the area of the given figure.

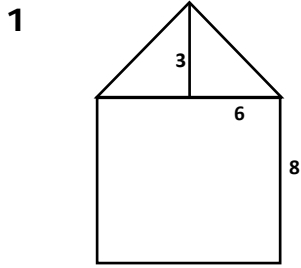

Find the area of the given figure.

Name: _____

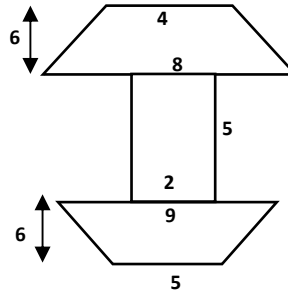

Date _____

Topic : Area of Polygons and Circles- Worksheet 2 (Assume Congruency)

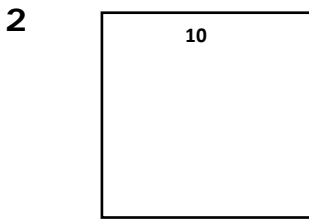

Find the area of the given figure.

6

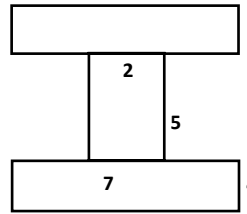

Find the area of the given figure.

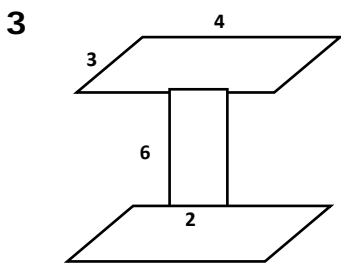

Find the area of the given square.

7

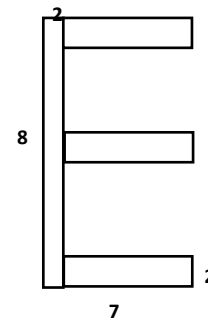

Find the area of the given figure.

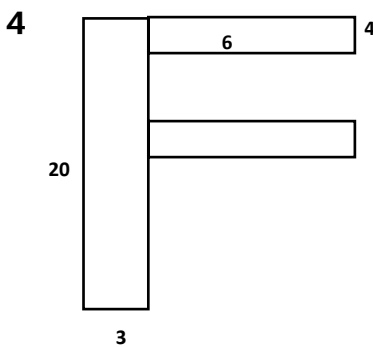

Find the area of the given figure.

8

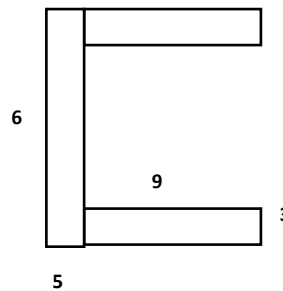

Find the area of the given figure.

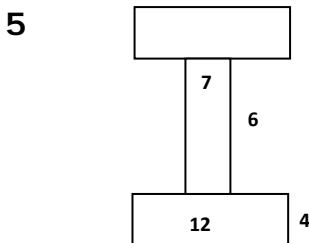

Find the area of the given figure.

9

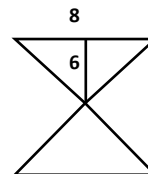

Find the area of the given figure.

Find the area of the given figure.

10

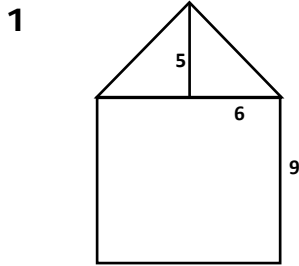

Find the area of the given figure.

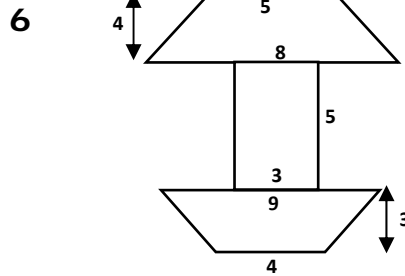

Name: _____

Date _____

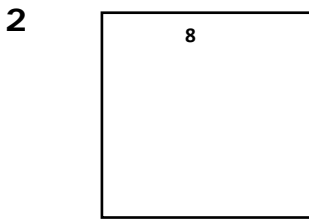

Topic : Area of Polygons and Circles- Worksheet 3 (Assume Congruency)

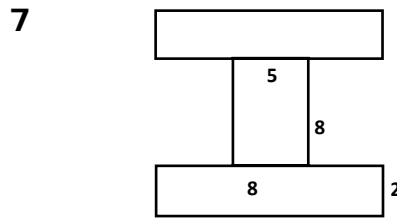

Find the area of the given figure.

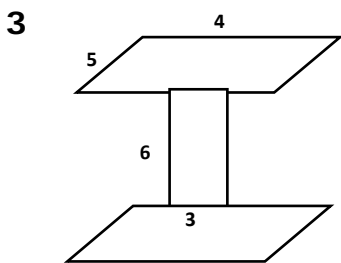

Find the area of the given figure.

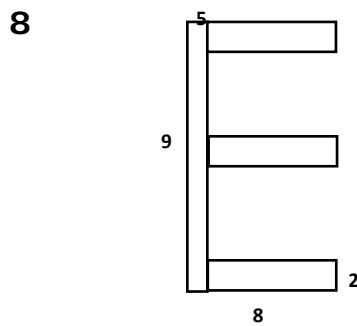

Find the area of the given square.

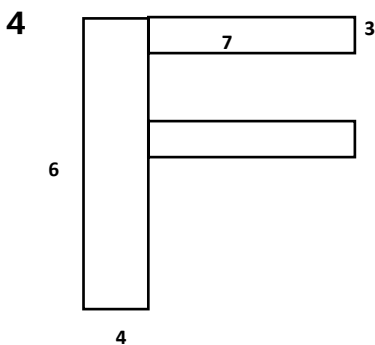

Find the area of the given figure.

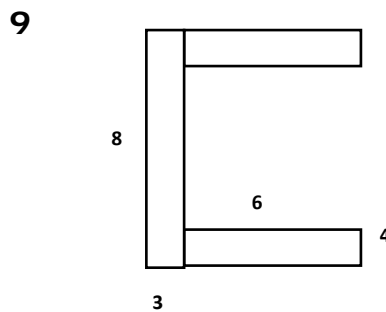

Find the area of the given figure.

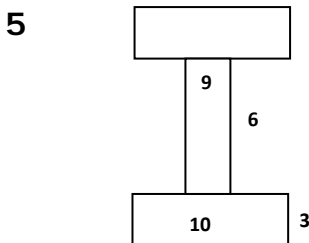

Find the area of the given figure.

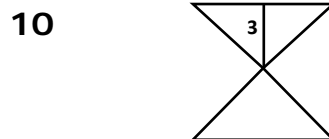

Find the area of the given figure.

Find the area of the given figure.

Find the area of the given figure.

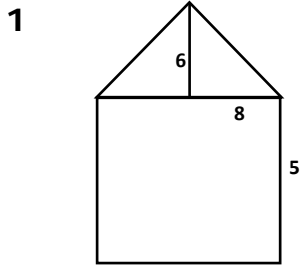

Find the area of the given figure.

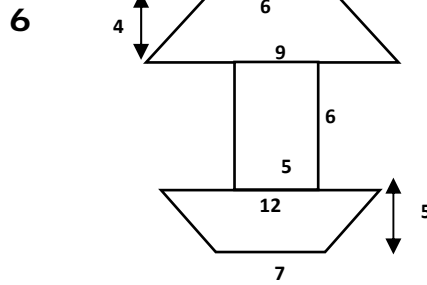

Name: _____

Date _____

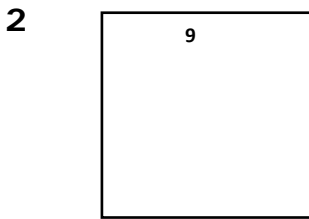

Topic : Area of Polygons and Circles- Worksheet 4 (Assume Congruency)

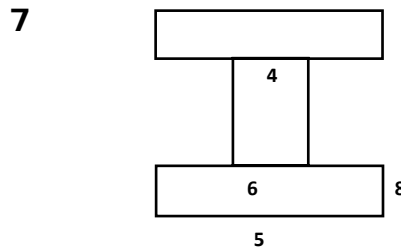

Find the area of the given figure.

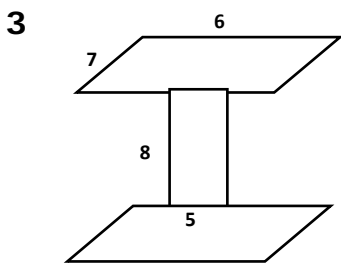

Find the area of the given figure.

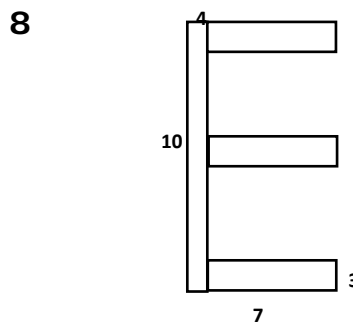

Find the area of the given square.

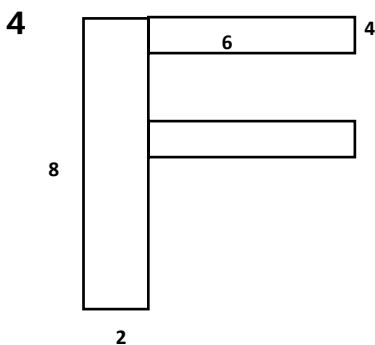

Find the area of the given figure.

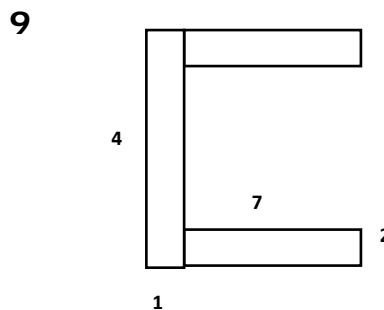

Find the area of the given figure.

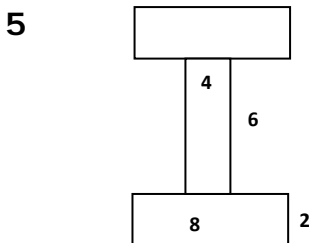

Find the area of the given figure.

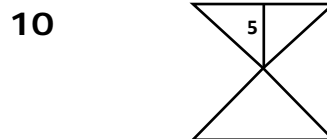

Find the area of the given figure.

Find the area of the given figure.

Find the area of the given figure.

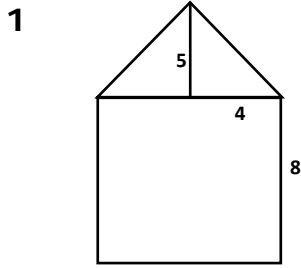

Find the area of the given figure.

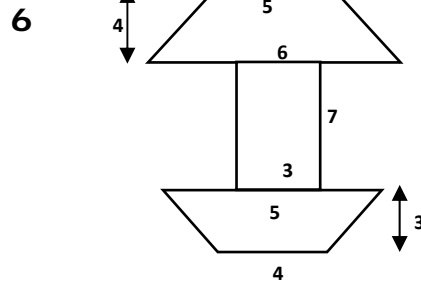

Name: _____

Date _____

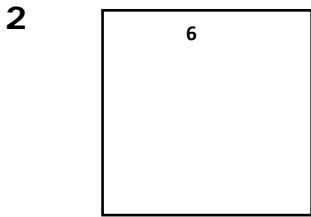

Topic : Area of Polygons and Circles- Worksheet 5 (Assume Congruency)

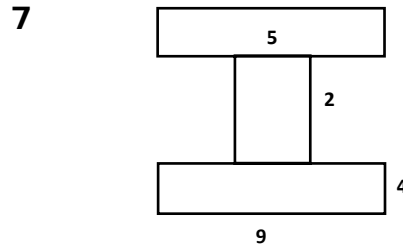

Find the area of the given figure.

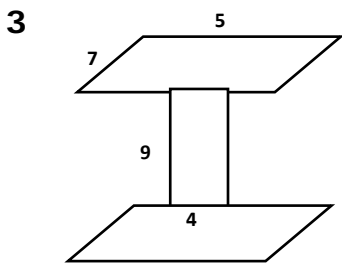

Find the area of the given figure.

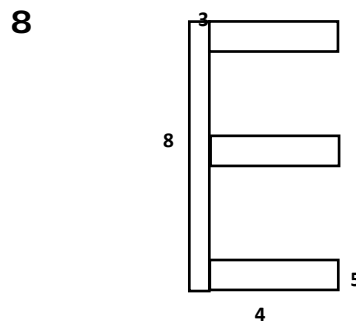

Find the area of the given square.

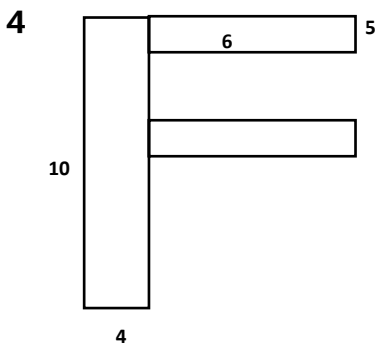

Find the area of the given figure.

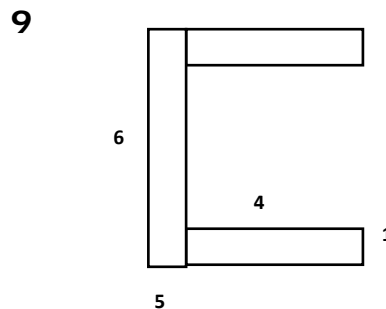

Find the area of the given figure.

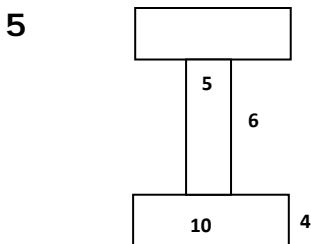

Find the area of the given figure.

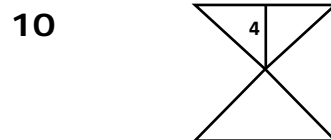

Find the area of the given figure.

Find the area of the given figure.

Find the area of the given figure.

Find the area of the given figure.
