

Name: _____

Date _____

Topic : Graphing Linear Inequalities - Worksheet 1

Use the graphing area below to graph the inequality.

$$y < 4x - 8$$

Name: _____

Date _____

Topic : Graphing Linear Inequalities - Worksheet 2

Use the graphing area below to graph the inequality.

$$y \geq 3x + 5$$

Name: _____

Date _____

Topic : Graphing Linear Inequalities - Worksheet 3

Use the graphing area below to graph the inequality.

$$y \leq 2x - 7$$

Name: _____

Date _____

Topic : Graphing Linear Inequalities - Worksheet 4

Use the graphing area below to graph the inequality.

$$y > 4x + 4$$

Name: _____

Date _____

Topic : Graphing Linear Inequalities - Worksheet 5

Use the graphing area below to graph the inequality.

$$y > 5x + 8$$
