

Name _____

Date _____

Spring Up By Tens

Instructions: Spring is a time of rain, flowers, and growth.

To celebrate Spring, students picked yellow flowers and made necklaces out of them. Each necklace contains 10 flowers. Count by tens to see how many flowers there are in total. Some are done for you.

___10___

___20___

___70___

Bonus Question: How many flowers would be needed to create 10 necklaces (each necklace has 10 flowers)?
