

Name: _____

Date _____

Cardinality (Position within a Set) Guided Lesson

Gary races his toy cars down his driveway. He races his Formula One car, sports sedan, and van. The van came in first place and the Formula One car came in last.

Sports Sedan	Formula One	Van

1) Write the place order that each car came in box above.

2) How many cars were in the race? _____

3) Write the names of the cars in the order that they placed in the race on the lines below.

4) If Gary found 4 new cars and raced all the cars together, how many cars would be in the race?
