## Color Me Large or Small Worksheet

For each row color or shade in all boxes that are **smaller than** the starting number.

Starting Number						
5	1	7	4	9	5	3
7	8	6	9	5	4	2
3	9	6	3	1	7	4
9	2	4	8	10	6	5

Compare the starting number to all the other numbers in the row. If the number in a row is **larger than** the starting number, shade it in. If the starting number is **equal to** another number in that row, shade in both the starting number and its equal.

Starting Number						
2	2	5	6	8	4	1
8	7	1	4	9	2	10
10	9	3	4	1	7	5
4	5	10	2	8	3	7
5	5	1	8	4	6	10
6	8	5	2	9	4	3

1. Write 2 numbers that are larger than 5. \_\_\_\_\_

2. Write 3 numbers that are smaller than 9. \_\_\_\_\_
