## Days of the Week - Step-by-Step Lesson

Here is a list of some days:

Sunday      Monday      Tuesday      Thursday

S	F	T	W	T	M	S
						1
2	3	4	5	6	7	8
9	10	11	12	13	14	15
16	17	18	19	20	21	22
23	24	25	26	27	28	29
30	31					

Circle the day that does not come after the day before it.

### Explanation:

In order, the days of the week are:

Sunday- Monday- Tuesday - Wednesday-Thursday- Friday-Saturday

Everything fits that pattern except for "Thursday." Wednesday should be the next day.

Sunday      Monday      Tuesday      Thursday
