Adding Single and Double Digits - Step-by-Step Lesson

Lesson 1 Adding Single and Double Digits:

	3	7
+		6

Explanation:

First we start from right side 7 + 6 = 13 write down 3 and carry forword 1 to 3 at tens place.

```
  1
  3 7
+   6
———————
    3
```

Then add 1 + 3 = 4

```
  1
  3 7
+   6
———————
  4 3
```

Answer is: 43
