Topic: Recognizing Similar and Congruent Figures- Worksheet 1

Solve the following:

1. The two figures are

not similar
 not congruent

2. The two figures are

similar and congruent
 not similar and not congruent

3. The two figures are

similar and congruent
 not similar and not congruent

4. The two figures are

not similar
 not congruent

5. The two figures are

not similar
 not congruent

6. The two figures are

congruent
 similar

7. The two figures are

similar and congruent
 similar and not congruent

8. The two figures are

similar and congruent
 not similar and not congruent

9. The two figures are

congruent
 similar

10. The two figures are

similar and congruent
 not similar and not congruent

Topic: Recognizing Similar and Congruent Figures- Worksheet 2

Solve the following:

1. The two figures are

not similar
 not congruent

2. The two figures are

similar and congruent
 similar and not congruent

3. The two figures are

similar and congruent
 similar and not congruent

4. The two figures are

similar and congruent
 not similar and not congruent

5. The two figures are

similar and congruent
 similar and not congruent

6. The two figures are

congruent
 similar

7. The two figures are

similar and congruent
 similar and not congruent

8. The two figures are

similar and congruent
 not similar and not congruent

9. The two figures are

similar and congruent
 not similar and not congruent

10. The two figures are

similar and congruent
 not similar and not congruent

Topic: Recognizing Similar and Congruent Figures- Worksheet 3

1. The two figures are

not similar
 not congruent

2. The two figures are

similar and congruent
 not similar and not congruent

3. The two figures are

similar and congruent
 similar and not congruent

4. The two figures are

similar and congruent
 similar and not congruent

5. The two figures are

not similar
 not congruent

6. The two figures are

similar and congruent
 not similar and not congruent

7. The two figures are

similar and congruent
 similar and not congruent

8. The two figures are

similar and congruent
 not similar and not congruent

9. The two figures are

similar and congruent
 not similar and not congruent

10. The two figures are

similar and congruent
 similar and not congruent
