### Stating Similarity or Congruency Lesson and Practice

How are the figures below related?

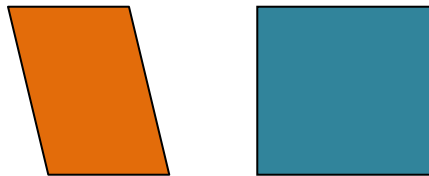

Congruent

Similar but not congruent

Neither similar nor congruent

The pair of shapes given are not of the same shape or size.

Therefore, the two figures are neither similar nor congruent only.

Congruent

Similar but not congruent

Neither similar nor congruent

#### Practice Problems

1		Congruent <input type="checkbox"/> Similar but not congruent <input type="checkbox"/> Neither similar nor congruent <input type="checkbox"/>
2		Congruent <input type="checkbox"/> Similar but not congruent <input type="checkbox"/> Neither similar nor congruent <input type="checkbox"/>
