### Numbers Match - Step-by-Step Lesson

Match the numbers to the words.

- |   |        |
|---|--------|
| 1 | a. two |
| 2 | b. six |
| 6 | c. one |

#### Explanation:

1 is written as "one" and it is matching with the word at option (c) so the answer is c.

The spelling of 2 is "two." It matches with the word on option (a). The answer is a.

6 is written as "six." This matches with the word on option (b) set the answer is b.

Answer is: 1 - c

2 - a

6 - b
