Date _____

Ordinal Numbers - Step-by-Step Lesson

7 people are waiting in a line for coffee.

Answer the questions based on the order of the line.

Adam

Eva

Smith

Eileen

George

Kaley

Kaki

- Who is last in line?
- Who will be the fourth to get coffee?
- Who will be the third to get coffee?
- Who is the first in line?

Explanation: We always start counting from where the line belongs. In this case the left.

- The last one is Kaki; in 7th place.
- The fourth one is Eileen.
- Smith, who is waiting his turn.
- Adam is first.
