

Name _____

Date _____

Using a Check Register Worksheet

You have a beginning balance of \$200. You owe Midas \$102.72 for your electric bill. You pay Midas with check number 102 on January 2, 2017. You also got paid for mowing the lawn and decide to deposit your earnings of \$30 into your account. You walked the neighbor's dog and deposited \$10 for that job at the same time as you deposited your \$30 on January 5, 2017.

Complete the following register with the given information.

Number	Date	Transaction	Withdrawal	√	Deposit	\$
