Comparing Money Guided Lesson

When you find money in the couch, sometimes you will save it. Other times you will spend it. Look at the chart below to answer the questions below:

SAVED

SPENT

1) How much have you saved?

2) How much have you spent?

3) If the **SAVED** amount was in your piggy bank and then you spent the **SPENT** amount, how much money would be left in your piggy bank?
